RE: Oregon Republican Party
FEC Committee ID #C00153031
2003 -2004 Audit

To Whom It May Concern:

Please be advised that the amendments for the aforementioned reporting years have now be completed and filed. We believe we have met all the recommendations per the audit staff letter dated August 31, 2007.

In regard in Finding 1: We have corrected the requested information, the amendments now reflect the actual contributor's name, per the signer of the contribution check which have verified from the actual original check copy in our files. This then corrects the correct calendar year to date aggregate total for each contributor.

In regarding to Finding 2: We have provided the requested information of the employer occupations of the reported contributors. Those that still reflect "information requested", please be advised that our policy to meet the FEC regulation requirement is as follows:

A follow-up letter is sent to those donors whose contributions exceed \$200, but did not provide us with their employer and occupation upon our initial contribution solicitation which sites the FEC regulation for the requested information. The committee's policy is to send a follow-up letter within thirty days of the original contribution to request this information with a stamped pre-addressed envelope enclosed for the return of such information. All such information received is reported accordingly. I have attached a copy of our follow-up letter and a copy of the return envelope provided to the contributor.

In regard to Finding 3: We have corrected the recommended disbursement purposed for better clarification.

In regard to Findings 4, 5 and 6 regarding Levin: We have corrected the Levin schedule. The year end cash on hand reconciles to our Levin bank account. We have corrected the actual contributors to reflect individuals, business, PAC, etc. As our Levin funds have been depleted, we will be reporting the excess Levin Contributions as debt on the upcoming monthly report as per the instructions from the Audit Division.

As we currently raise Levin funds the following refunds will be issued:

Freres Lumber Co. Inc. in the amount of \$2500
D.R. Johnson Lumber Co. in the amount of \$10,000
Total per FEC audit \$12,500

Please see the additional Form 99 filing for more information we have provided for the additional changes we discovered during our amendment process.

At this time our committee believes to be in compliance per the audit staff recommendations for amendments and disclosure of recommended information.

Sincerely,

Oregon Republican Party
